EDITION 2026

Request your ambassador code through
hello@nuria.one. We aim to reply within 48 hours.

اللهم اجعل فيه
خييرا كثيرا

*May Allah place
abundant good in it.*

SECTION 01

How it works

The program is built to be easy to explain: one code, one clear attribution path, and recurring earnings while a referred subscription remains active.

01

Request your code

Email hello@nuria.one and we issue a unique referral code tied to your profile.

02

Share Nuria

Introduce Nuria in person, in your community, or on social media together with your code.

03

Earn 50%

When a referred user subscribes with your code, you receive 50% of Net Revenue.

04

Keep earning

Your share continues automatically every month while the subscription stays active.

Whoever guides someone to good is like the one who does it.

A simple reminder to share with sincerity first, and let the reward structure stay transparent in the background.

SECTION 02

Reward structure

Earnings are calculated on Net Revenue: the amount Nuria receives after the Apple App Store or Google Play platform fee has been deducted. Of that net amount, 50% is yours each active billing cycle.

WORKED EXAMPLE

EUR 9.99 monthly subscription

Subscriber pays	EUR 9.99
-----------------	-----------------

Platform fee, approx. 30%	- EUR 3.00
---------------------------	-------------------

Net Revenue to Nuria	EUR 6.99
----------------------	-----------------

Your 50% share	EUR 3.50 / month
----------------	-------------------------

SECTION 03

Essentials

Payout threshold

Balances are paid once the Accrued Balance reaches EUR 100.

Payment cadence

After the threshold is crossed, payout is initiated within 30 days of month close.

Fees at cost

Bank, PayPal, Wise, SWIFT, or intermediary fees may be passed through at cost.

Tax responsibility

Ambassadors are independent and responsible for their own tax declarations.

Transparency

Statements list gross revenue, platform fees, and accrued ambassador share.

SECTION 04

Get started

Download Nuria, request your code, and share the app with people you believe will benefit. For support and enrolment, contact hello@nuria.one.

Scan to open Nuria on the App Store.

Scan to open Nuria on Google Play.
